WINE LIST

September 2026

The Sommelier Team:

Guillaume Perdigues
Shannon Chialo
Emma Promjant

INTRODUCTION

Our wine list is a curated journey through the cool-climate vineyards of the Old World, with a strong focus on Germany and France.

Most of our German wines are sourced directly by Thomas & Mathias Sühring, who have maintained relationships with these winemakers for years, selecting each label exclusively for our restaurant.

These wines are carefully cellared for several years before being released on our list, allowing them to reach optimal maturity.

Our German selection is thoughtfully classified by sweetness level: from dry *Erste Lage* and *Grosses Gewächs* to the rare intensity of *Trockenbeerenauslese*, offering a clear path through both style and structure.

We hope you will enjoy discovering it as much as we enjoyed creating it.

Prost!
